
MOHAMMED ALI KUGSHIA

Mohammed Ali Kugshia was born in 1924 in the village of Kanodar. He passed away at the age of 57 on the 4th of Ramadhan, 1981 in Karachi, Pakistan.

He was a very business-minded person. Mohammed Ali Kugshia was the first person who had gone to Balochistan as a Gujrati, and there he was well known for his personality. He was also, well-recognized in the textile industry in Pakistan. He established a business in the Sindh province and Punjab. Mohammed Ali Kugshia was an exporter in the Middle East for tent cloths and imported dyes and chemicals from Holland and Romania. He also imported iron and steel from Germany.

Mohammed Ali Kugshia was very humble and kind. His door was always open for people in need, and he worked to resolve community matters. He was known to be socially active, and helpful to the people. He had a vision of sending the Kanodari youth to go overseas and exalt the name of Kanodar. He wanted to bring forward the name of the village by starting all ventures by its name. He was indeed very devoted to his love for the village.

He established the Kanodar Shia Momin Jamaat in Karachi. And he put the foundation of the mehfil in Karachi along with other momin. He wanted the Kanodar Jamaat to prosper in Karachi.

He had an excellent character and even today people remember his friendly and religious manner. Mohammed Ali Kugshia had six sons and two daughters, he was married to the daughter of the Mavat family. Two sons are in the US, two in South Africa, and two in Pakistan. While his eldest daughter is in Pakistan, and the other daughter is in South Africa. Mr. Kugshia, desired to keep strong ties with Kanodar which is why he married all his sons to the daughters of Kanodari families.

He left many good memories behind him which is why everyone remembers him for his good work and positive relationships. He left us with a message: educate our daughters as they will become the mothers of tomorrow. Accordingly, may Allah (swt) guide us to unite and not forget our motherland of Kanodar.
